Picture Retakes

[Gratitude Jam](#)

We are officially into November! Last Friday marked a return to an all school Halloween party and parade. The event was outstanding and I would like to thank our entire community for the support in making this a fun and successful occasion. A special thanks goes out to all families who supported, created, and attended our parade and classroom parties.

Staffing Update: I am delighted to welcome three new staff members who will create a meaningful impact on our students. The month of November brings support for kids about which we are truly excited. Here are a few details about each of them:

Becky Hassell: Becky is a talented School Psychologist who has worked in our district for ten years. She will be lessening her time in other buildings in order to work at Westridge about three days per week.

Justin Allen: Justin is our new Restorative Practice Liaison and is working at our school daily to support students with resolving conflict, providing extra recess support, and helping out wherever it is needed.

Judy Elton: Judy is our new primary grades Learning Specialist. Judy will be here full time and support students who have an IEP in grades k-2.

[Sharing Thankfulness with Westridge Staff](#)

We are grateful to have an amazing staff here at Westridge. This month, we are following Jeffco's lead and taking part in a gratitude challenge to celebrate the dedication and kindness within our community. Please take a minute to complete the form by November 19, 2022, and our office team will deliver your notes to the staff members you wish to celebrate.
