Hello All Families of Westridge,

It was heartwarming to see everyone at our Jogathon and Earth Day celebrations. We sincerely appreciate your support and attendance to help our students create a wonderful school memory. A huge SHOUT OUT to our fabulous PTA for the Jogathon, our amazing teachers for leading Earth Day planning and structures, and to our 5th grade student leaders for teaching with kindness to our students. What an incredible day we had together!

April 28: Better Together Day is Peace Day at Westridge! This will be a district wide celebration of our work as a community for and with students. Our school wide focus will be “valuing people.” We will spend the week discussing the importance of kindness and valuing others, and then on Thursday, a whole school art installation will be created to showcase how our Westridge students value one another. Student leaders in grades 3-5 will take the role of teachers for grades K-2 during this activity. It's an exciting opportunity for our kids (with adult support) to share how important kindness is in their lives and pass that along in our community.

May 20, 2022 is our Field Day! Please stay tuned for all of the details as this will be an outdoor event. Families are welcome to join and watch the fun.

**Assessment Days:**

**Students in grades K - 2** will come only for their scheduled assessment time on either Monday, April 25th or on Friday, April 29th.

**Students in grades 3 - 5** will attend a normal 8:30 am - 3:00 pm school day on Monday, April 25th for MAP testing. Both Reading and Math sections will be completed that day. Students need to bring their charged district device for MAP testing. Food Service will be able to offer school lunch to these students on Monday, April 25th. Students in grades 3, 4 and 5 will only need to come for a Friday reading assessment if you have been contacted by your teacher.
