School Store

We have a new online school store for Westridge apparel. We have kid and adult items! You can order at any time. They will fulfill the orders once a month. All orders will be sent to the school for pickup. I've worked with this company twice now and am very impressed with the quality and range of prices. This is not a fundraiser. It is simply to share in our school spirit.

Save the date: Science Fair April,17 2024

During school hours for kids, after school for parent visits.

The goal of the Science and Innovation Fair is to get all kids excited about science and innovation. With this goal in mind, students may bring anything that sparks their interest or any project they already completed that they are proud of.

Entries can include (but are not limited to):

- ***Traditional science fair projects, with or without trifold display,***
- ***Projects the students completed for school, this year or any year,***
- ***Innovative toys your kids love and want to know more about in order to explain how it works to the rest of us,***
- ***Amazing crafts your child has done that they want to share with their peers,***
- ***Anything your student is excited to share!***
- ***The sky's the limit. We want students to have fun, share their interests, and feel proud of their work!***
